

Product Information

Compressor

Heavy Duty & Agriculture Compressor Range

Range

DENSO is leading developer and manufacturer of A/C systems and compressor from DENSO is worldwide known for its 100% OE quality range. DENSO compressors are not only fitted in non-commercial vehicles but also originally engineered and manufactured for Heavy Duty and Agricultural applications.

DENSO aftermarket division is continuously expanding the range for its customers, opening the door to high quality original parts, often not available from competitors. Currently we are offering 73 Heavy Duty part numbers.

Heavy Duty

DENSO Heavy Duty Compressors are engineered from scratch for the specific application to ensure optimal performance. Taking the severe usage during its lifetime into consideration, the Compressor components are carefully selected and extensively tested before mass production. Not only to live up to the expectations, but to exceed them. Ultimately resulting in excellent performing and highly efficient DENSO Heavy Duty Compressors.

Most popular HD compressors

Below DENSO Compressors part numbers are fast moving within the European sales regions. Cross check these part numbers against your range and find out if you are up to date.
